

Johnson City Public Library Public Use of Teen Space Policy

Purpose

The Teen Space is a unique part of the Library housing special collections, programs, and services designed specifically for patrons ages of 12-18. The purpose of the Teen Space in Johnson City Public Library is to provide teens with access to these special materials, programs, and services.

Policy

While the teen collection is available to all patrons, the Teen Space is a dedicated environment for teenage patrons in the Library. Their comfort, safety, and interests are the priority in this space. Patrons not included in the teenage category may be required to leave the Teen Space and instead use other areas of the Library.
